Aims & Objectives

The Aims of the LW&GC Community Resilience & Emergency Group are:

1. to build local capacity to prepare for, respond to, and recover from emergencies and other disruptions
2. to complement and support official gold, silver and bronze emergency response teams by providing support, local knowledge and resources

Objectives include:

- identifying the hazards that may affect the communities of Leek Wootton, Hill Wootton and Guys Cliffe
- fostering social connectedness and building an efficient communication network within the community to enable a prompt and effective response to an emergency
- developing local plans and resources to make the community safer and more self-sufficient
- assisting/advising the Parish Council on the periodical revision of its Emergency Plan

Group Composition

LW&GC Community Resilience & Emergency Group is a Leek Wootton & Guy's Cliffe Parish Council Working Party, which is an informal group. The composition of a working party can include any number of parish councillors, officers and/or non-Councillors with an interest or expertise in this area.

One Parish Councillor will act as PC Lead of the Working Party and official contact for the LW&GC Community Resilience & Emergency Group.

The PC Lead will sit on any organisation committee and be responsible for reporting back the group's activities to the full Council.

With the exception of the PC Lead, the organisation / committee structure of the group is not stipulated.
