

Leek Wootton & Guy's Cliffe Parish Council

Minutes of the Meeting of the Parish Council held on Wednesday, 5 March 2025 at Leek Wootton Village Hall

Present: Councillors Coates (Chairman), Eldridge, Harrold [Co-opted at this meeting see Item 5], Kingston, Kirkwood, Morgan, D/Cllr Redford, C/Cllr Redford, 3 members of the public [MoP] and the Clerk

Before the meeting began the Chair presented Cllr Eldridge with a gift in recognition of his passing 40 years as a Parish Councillor, *"I want to start with something that Chairmen certainly don't have to do very often, and that is to congratulate someone who has given this Parish Council remarkable service over the years, 40 years in fact. He didn't know I was going to say anything, but I am going to say something because it is pretty remarkable and original that we have got Paul sitting here on my right who has, man and boy, been a part of Leek Wootton Parish Council for 40 years. I feel my pathetic 18 years – I thought I was doing well. On 16 January this year he passed his 40th anniversary as a Parish Councillor. He was co-opted in January 1985, he is the second longest serving Councillor after Ernest Pate CATTELL, who served 43 years and 3 months. Paul served as Chairman for 11 years on and off (and he's on an off at the moment, I don't know if he's ever going to be on and on!), he's served as Vice Chairman for 11 years (on and off), a role that he still occupies today. Has served alongside 36 people that we know of who have served on this Parish Council, including the present team, so it's really quite remarkable. Paul, you're a bloke who doesn't like fuss, but I'm afraid you are going to have to accept this little gift from us tonight, just to say thank you and may you serve many more."* Cllr Eldridge responded, *"I've only been here this long because of laziness, I've never bothered to resign. Thank you."* Chair, *"Thank you for your unstinting service over the years, I think we would all join in with that."*

6.	<p>South Warwickshire Local Plan [SWLP] Preferred Options Consultation CLOSING DATE 07/03/2025</p> <p>https://www.southwarwickshire.org.uk/swlp/preferred-options.cfm</p> <p>The Chair thanked Cllr Kirkwood for his contribution to the Community Meeting on the subject on 26/02/2025. Cllr Kirkwood 'holds the fort' very well on the technical issues and has an answer to everything. It was a shame that more people did not turn up, 67 attendees.</p> <p>Cllr Kirkwood gave a brief report on the meeting and the present stage of the SWLP process, which should complete in 2027 and be in place until 2050. The process for commenting is not simple and the Clerk put a 'how to' guide on the PC website.</p> <p>Cllr Kingston congratulated the Chair and Cllr Kirkwood for keeping the meeting on-track, as there were a number of people who wanted to talk about other issues, i.e. Police planning application.</p> <p>Responses to SWLP need to be in by Friday, 07/03/2025. PC objecting to SG04, SG07 and all HELAA sites within the Parish based on green belt land being required to prevent the urbanisation/conurbation of Warwick to Kenilworth.</p> <p>The Chair asked whether the PC wishes to comment on SG06 in Old Milverton & Blackdown and/or B1 at Hatton. Councillors agreed to object to SG06, but neutral on B1.</p> <p>ACTION: Clerk, Chair and Cllr Eldridge to draft and circulate PC's response, to be submitted on Friday [Completed 07/03/2025 – See appendix 1]</p>
7.	<p>Development at Woodcote (Police HQ)</p> <p>7.1. Current and future planning (including CALA)</p> <p>The Chair and Cllr Kirkwood attended a Leek Wootton Focus Group meeting about the new car parking planning application on 02/03/2025. Circa 25 attendees.</p> <p>Meeting dealt with more than the current planning application, including the Police management of the estate and many issues were discussed. The PC cannot be involved in property maintenance issues; these are between the Police, Police & Crime Commissioner, Home Secretary and, where appropriate, the Planning Authority.</p> <p>The PC has objected to W/25/0038 on the grounds of 1 lighting, 2 impact of traffic on Woodcote Lane and 3 baseline data for traffic. Cllr Eldridge noted that WCC Highways comment that no entry at North Lodge exit should be set back from the junction to allow vehicles to turn.</p> <p>Consultation notification by letters to neighbours -v- posted notices. PC writing to WDC Planning to ask for clarification about whether neighbours' letters are the preferred format for notices. WDC has previously advised that letters are the method of notification – notices on lampposts would be used IN ADDITION for listed buildings or large developments (and following questioning, posted notices would also apply in Conservation Areas).</p> <p>ACTION: Clerk to complete letter to Planning re notices -v- letters</p> <p>7.2. Future of Police estate (The Lunch, etc)</p> <p>Future plans for The Lunch have not been included in the 'masterplan' provided in W/25/0038.</p> <p>The PC has been in touch with the Chief Executive of WDC and met informally to discuss. The Chair has written again to point out that The Lunch and Lower Lunch are not included, how can ideas move forward? Suggested a meeting with him, the PC and other interested bodies such as CPRE, Warwickshire Wildlife, etc., possibly getting together to put a proposal forward about the future sustainable management of The Lunch. Awaiting a response.</p>
8.	<p>Progress Reports for information</p> <p><u>Parish Council 'Working Parties'</u></p> <p>8.1. The Playground (Cllr Coates)</p>

Initial: PE

8.2. Community Speed Watch (Cllr Kingston)

Session on Warwick Road. Word gets around in 20 mins or so, after which there is no point.

Cllr Kingston asked about the establishment of Speed Watch and its 'ownership'. The Clerk confirmed that it was a resident-led initiative by those at the south end of Warwick Road. The PC has invested in equipment, liaised with Police to formalise the group and set aside a small budget for the group.

ACTION: Encourage participation at Annual Parish Assembly

C/Cllr Redford asked whether the speed monitoring had taken place yet. The Clerk replied that they have not been seen.

Cllr Kirkwood has asked about the 20 mph speed signs for the school, but is not able to give an update. Survey has been carried out. Delay because Highways' minor works team are waiting for response from lighting.

8.3. LW&GC Environment Group

Cllr Elsy's resignation means that the PC needs a new contact. Cllr Coates volunteered to take this on.

Clerk has spoken to contact on Environment Group and been informed that they have nearly completed surveys of all hedges in the parish. They are arranging a meeting with farmer at Deer Park Farm. They have an independent contact with grounds person at the Police and is working hard to establish a positive relationship with the Police.

ACTION: Cllr Coates to encourage involvement at Annual Parish Assembly

Cllr Kingston mentioned that a member of the Environment Group has been in touch with the church about placing swift boxes behind the louvres in the bell tower.

Cllr Morgan has spoken with resident hedgehog volunteer, who is going to write in *The Link* about wildlife-safe ways of putting rat poison in gardens.

External Bodies

These are community organisations within the parish and that the Parish Council may have representation on. Councillor Representatives are invited to give brief updates or submit a written report for information.

8.4. All Saints' Academy, Leek Wootton & Leek Wootton School Trust (Cllr Morgan)

Cllrs Coates and Morgan have met again with the Head Teacher. The school is happy to run with the idea of doing more of a village fête this year. Usually they hold their fête after school, so are discussing a weekend fête with school and new head of PTFA. Also happy to have other organisations raising money at such an event.

Also discussed the size of the school and its future intake. The School informed the PC that it has been approached by a developer about one of the HELAA sites in the SWLP.

8.5. Leek Wootton Community Hub

- Leek Wootton Sports Club

Nothing to report. The Clerk followed up on the Cricket Nets funding and received the response that, *"We got bogged down in planning and have had to make some changes. We now have an architect engaged to help on that side of things. We are hopeful that building can begin in the spring, when [District] Council funding is also refreshed. In some ways we wouldn't want to build in winter. I hope that helps."* Concluded that the PC does not need to ask for return of grant money.

- Leek Wootton Village Hall (Cllr Kirkwood)

No meeting since last PC meeting. Reminder that the Committee is planning a belated celebration for the hall's 25th anniversary and are offering a prize for ideas as to how to celebrate. Also looking for a new Secretary.

Following on from CIL discussion, Cllr Kingston asked a builder to look at and give an idea of how much it would cost to add a veranda to the village hall – c. £35,000. Cllr Kirkwood will discuss with Cllr Kingston and report back to village hall.

Section	Strategic Growth Location SG04 Question
Full Text	<p>The Parish Council of Leek Wootton & Guys Cliffe does not agree with any of the selected areas for possible future development within its Parish Boundary in the South Warwickshire Local Plan – Preferred Options Plan for the following reasons:</p> <p>1 Green Belt reason – Green Belt land has five purposes: prevent urban sprawl, prevent merging of towns, safeguarding the countryside, preserving the setting of villages and encouraging development of urban development. The two Suitable Growth areas within the Parish, SG04 and SG07 are both in the Green Belt and it is understood that the housing needs target can be achieved on brown field and grey field sites without the need to build on Green Belt land.</p> <p>2 Buffer Zone reason –The portion of SG04 within this Parish, if developed, will remove the buffer between Leek Wootton and Kenilworth that protects the village environment from becoming part of the nearby town.</p> <p>3 Overall Reason – Leek Wootton has been designated a Growth Village under the current Local Plan and two development schemes have been granted consent totalling 88 dwellings which represents a circa 25% increase in the size of the village. The area has therefore undergone its growth and should no longer be categorised as a Growth Village.</p> <p>4 Agricultural Land reason – The portion of SG07 within the parish is an area of ALC Grade 2 Agricultural Land which should not be lost to development</p>

Section	Do you have any comments on a specific site proposal or the HELAA results?
Full Text	<p>The various sites shown within the Parish of Leek Wootton & Guys Cliffe are all opposed because the village of Leek Wootton has already been extended under the current Local Plan and therefore should not be subjected to a status of Growth Village and no sites should be considered within the parish. All the sites are green belt, good agricultural or amenity land and should not be considered for development. Also, each site would add considerably to the size of the village/hamlet adjacent.</p> <p>A number of the sites (Land to North-East of Warwick enclosed by A46 Warwick By-Pass, Coventry Road and Woodloes Lane (REFID 93), Land to North and South of Hill Wootton Road, Leek Wootton (REFID 116), Warwick Road, Leek Wootton, Near CV35 7RA (REFID 603), Warwick Road, Leek Wootton, Warwickshire, CV35 8LL [PLEASE NOTE POSTCODE CV35 8LL REFERS TO CLAVERDON NOT LEEK WOOTTON] (REFID 2)) would also extend into the buffer zone that protects the village from encroachment from nearby towns.</p> <p>The larger site close to Hill Wootton (Hill Wootton Road, CV35 7PP (REFID 231)) is separate from the hamlet and not an extension of it, is good agricultural land and in the Green Belt and is opposed for the same reasons as above.</p> <p>The site in Hill Wootton (Hill Wootton Road, Hill Wootton, CV35 7PP (REFID 117)) is a greenfield site within the greenbelt. If development were to take place within the hamlet of Hill Wootton, there are preferable brownfield sites.</p>
