The Clerk circulated a DRAFT Terms of Reference [ToR] to the Committee Prior to the meeting and it was noted that the DRAFT ToR was in possible conflict with the DRAFT Financial Regulations with regards to all or some members of the Finance & Risk Committee having authorisation rights with the bank, because someone who is not a bank authoriser is required to sign off the periodical bank reconciliation reports.

QR code, set up by Cllr Harrold, goes to MS Forms.

ACTION: Clerk to collate for the June PC meeting

Cllr Harrold sent a presentation to the Chair before the meeting following a review of the PC website, Community Hubsite and other publicity, and gave a summary. A discussion followed about websites, parish magazine, ownership, finances, etc

ACTION: The Chair asked Cllr Harrold to put thoughts together for the full Council to review

Cllr Morgan mentioned questions about the WhatsApp groups.

Council asked for information about *The Link* including: How many do we produce, how much does it cost to produce, how much is coming from advertising and where does the balance come from. These may be available from the Church Treasurer.

Cllr Kirkwood asked for clarification about a note circulated by the Clerk regarding the use of a .gov.uk website. The Clerk's concern is that the Parish Council is the eligible party to use a .gov.uk website and that it should not be used to host pages for other organisations. Information about activities within the community may be on there, but these should include links to external website for other organisations. The History Group owns the Community Hubsite and has its own pages hosted there, along with other community interest pages and email addresses and the Clerk raised the question of whether the existing site could be replicated as it currently stands.

ACTION: Clerk to seek advice regarding use of .gov.uk
